

NUMBER 2

Little bumble-bee class Teachers-make.com

Worksheets & clip art by Anca Corcheș

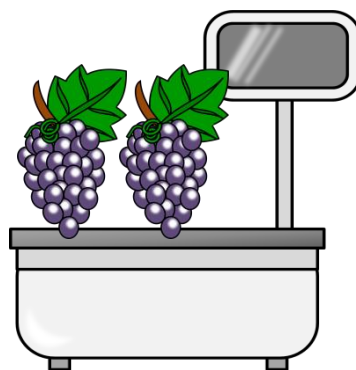

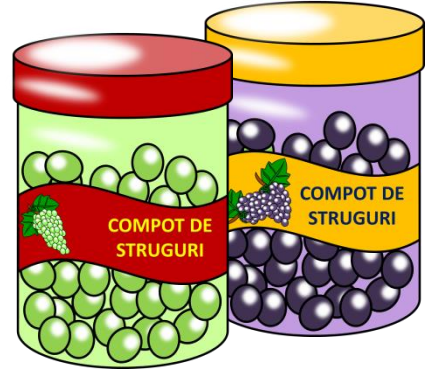

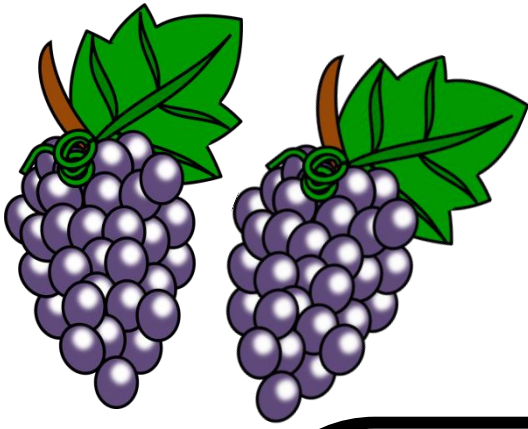

In this packet, you will find a set of fun and engaging worksheets for number 2 identification, number 2 tracing, and counting one-to-one correspondence.

Print the worksheets on cardstock, laminate them, and have your students use dry-erase markers to trace, circle, and color. Use these worksheets for centers, morning work, individual practice, or assessment.

Visit our blog daily for other activities for Special education and pre k, and K students. Also, please visit the blog's archive to access other activities.
