

STIMULARE COGNITIVĂ

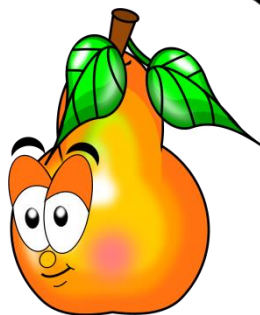

Fișe create de Anca Corcheș

Clipart creat de Anca Corcheș

Little bumble-bee class Teachers-make.com

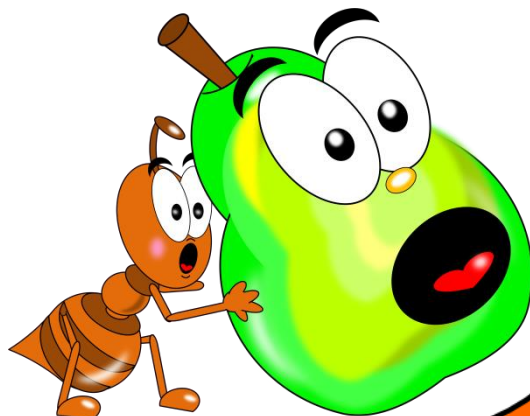

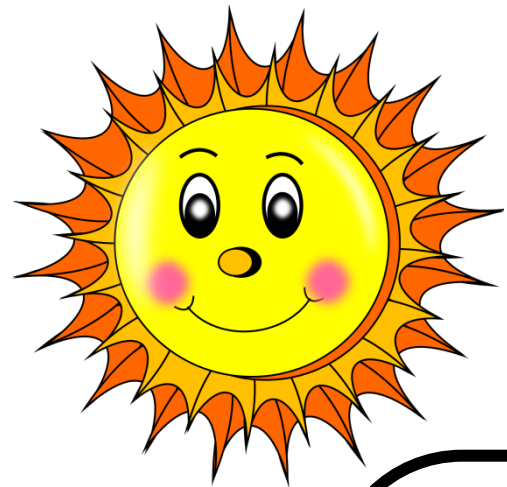

Acest material se adresează elevilor care învață scrierea și citirea numerelor naturale, precum și asocierea simbol matematic-mulțime de elemente. De asemenea, veți găsi fișe de lucru pe care le puteți folosi pentru identificarea cifrei 1, trasarea cifrei 1, identificarea mulțimilor cu un singur element, asociere de 1 la 1 elemente.

Fișele color pot fi plastificate și refolosite sau pot deveni decoruri pentru clasă. Așezate într-o mapă se pot constitui într-o mini-cărticică despre cifra 1. În cazul fișelor color care presupun trasarea cifrei, se recomandă scrierea cu ajutorul unui marker permanent sau a unei carioci. Acestea se pot șterge foarte ușor cu ajutorul unei soluții pe bază de spirt.
