ALFABETUL LIMBII ROMÂNE

DECOR PENTRU CLASĂȘ

Acest material este destinat elevilor care se află la începutul învățării alfabetului limbii române. Conține un număr de 39 de pagini, în format digital, pe care le puteți transforma într-un decor pentru clasă simpatic, facilitând în acest fel învățarea.

Materialul prezintă literele mari și mici de tipar (inclusiv grupurile de litere) pe câte o pagină format A4. Imaginile folosite sunt vii colorate și ușor de perceput din punct de vedere vizual.

Vă recomandăm plastifierea paginilor și plasarea acestora într-un loc vizibil din clasă. Puteți expune tot materialul pe un singur perete/spațiu special amenajat al clasei sau puteți utiliza câte o singură planșă, în funcție de litera pe care urmează să o predați.
