Decor pentru clasă

Acesta este un material pe care îl puteți folosi fie ca decor pentru clasă, fie sub forma unei cărți care să vă permită utilizarea materialului în activități care vizează învățarea/consolidarea cunoștințelor despre culori. Este un material care se adresează copiilor de vârstă mică și preșcolarilor/elevilor cu C.E.S.

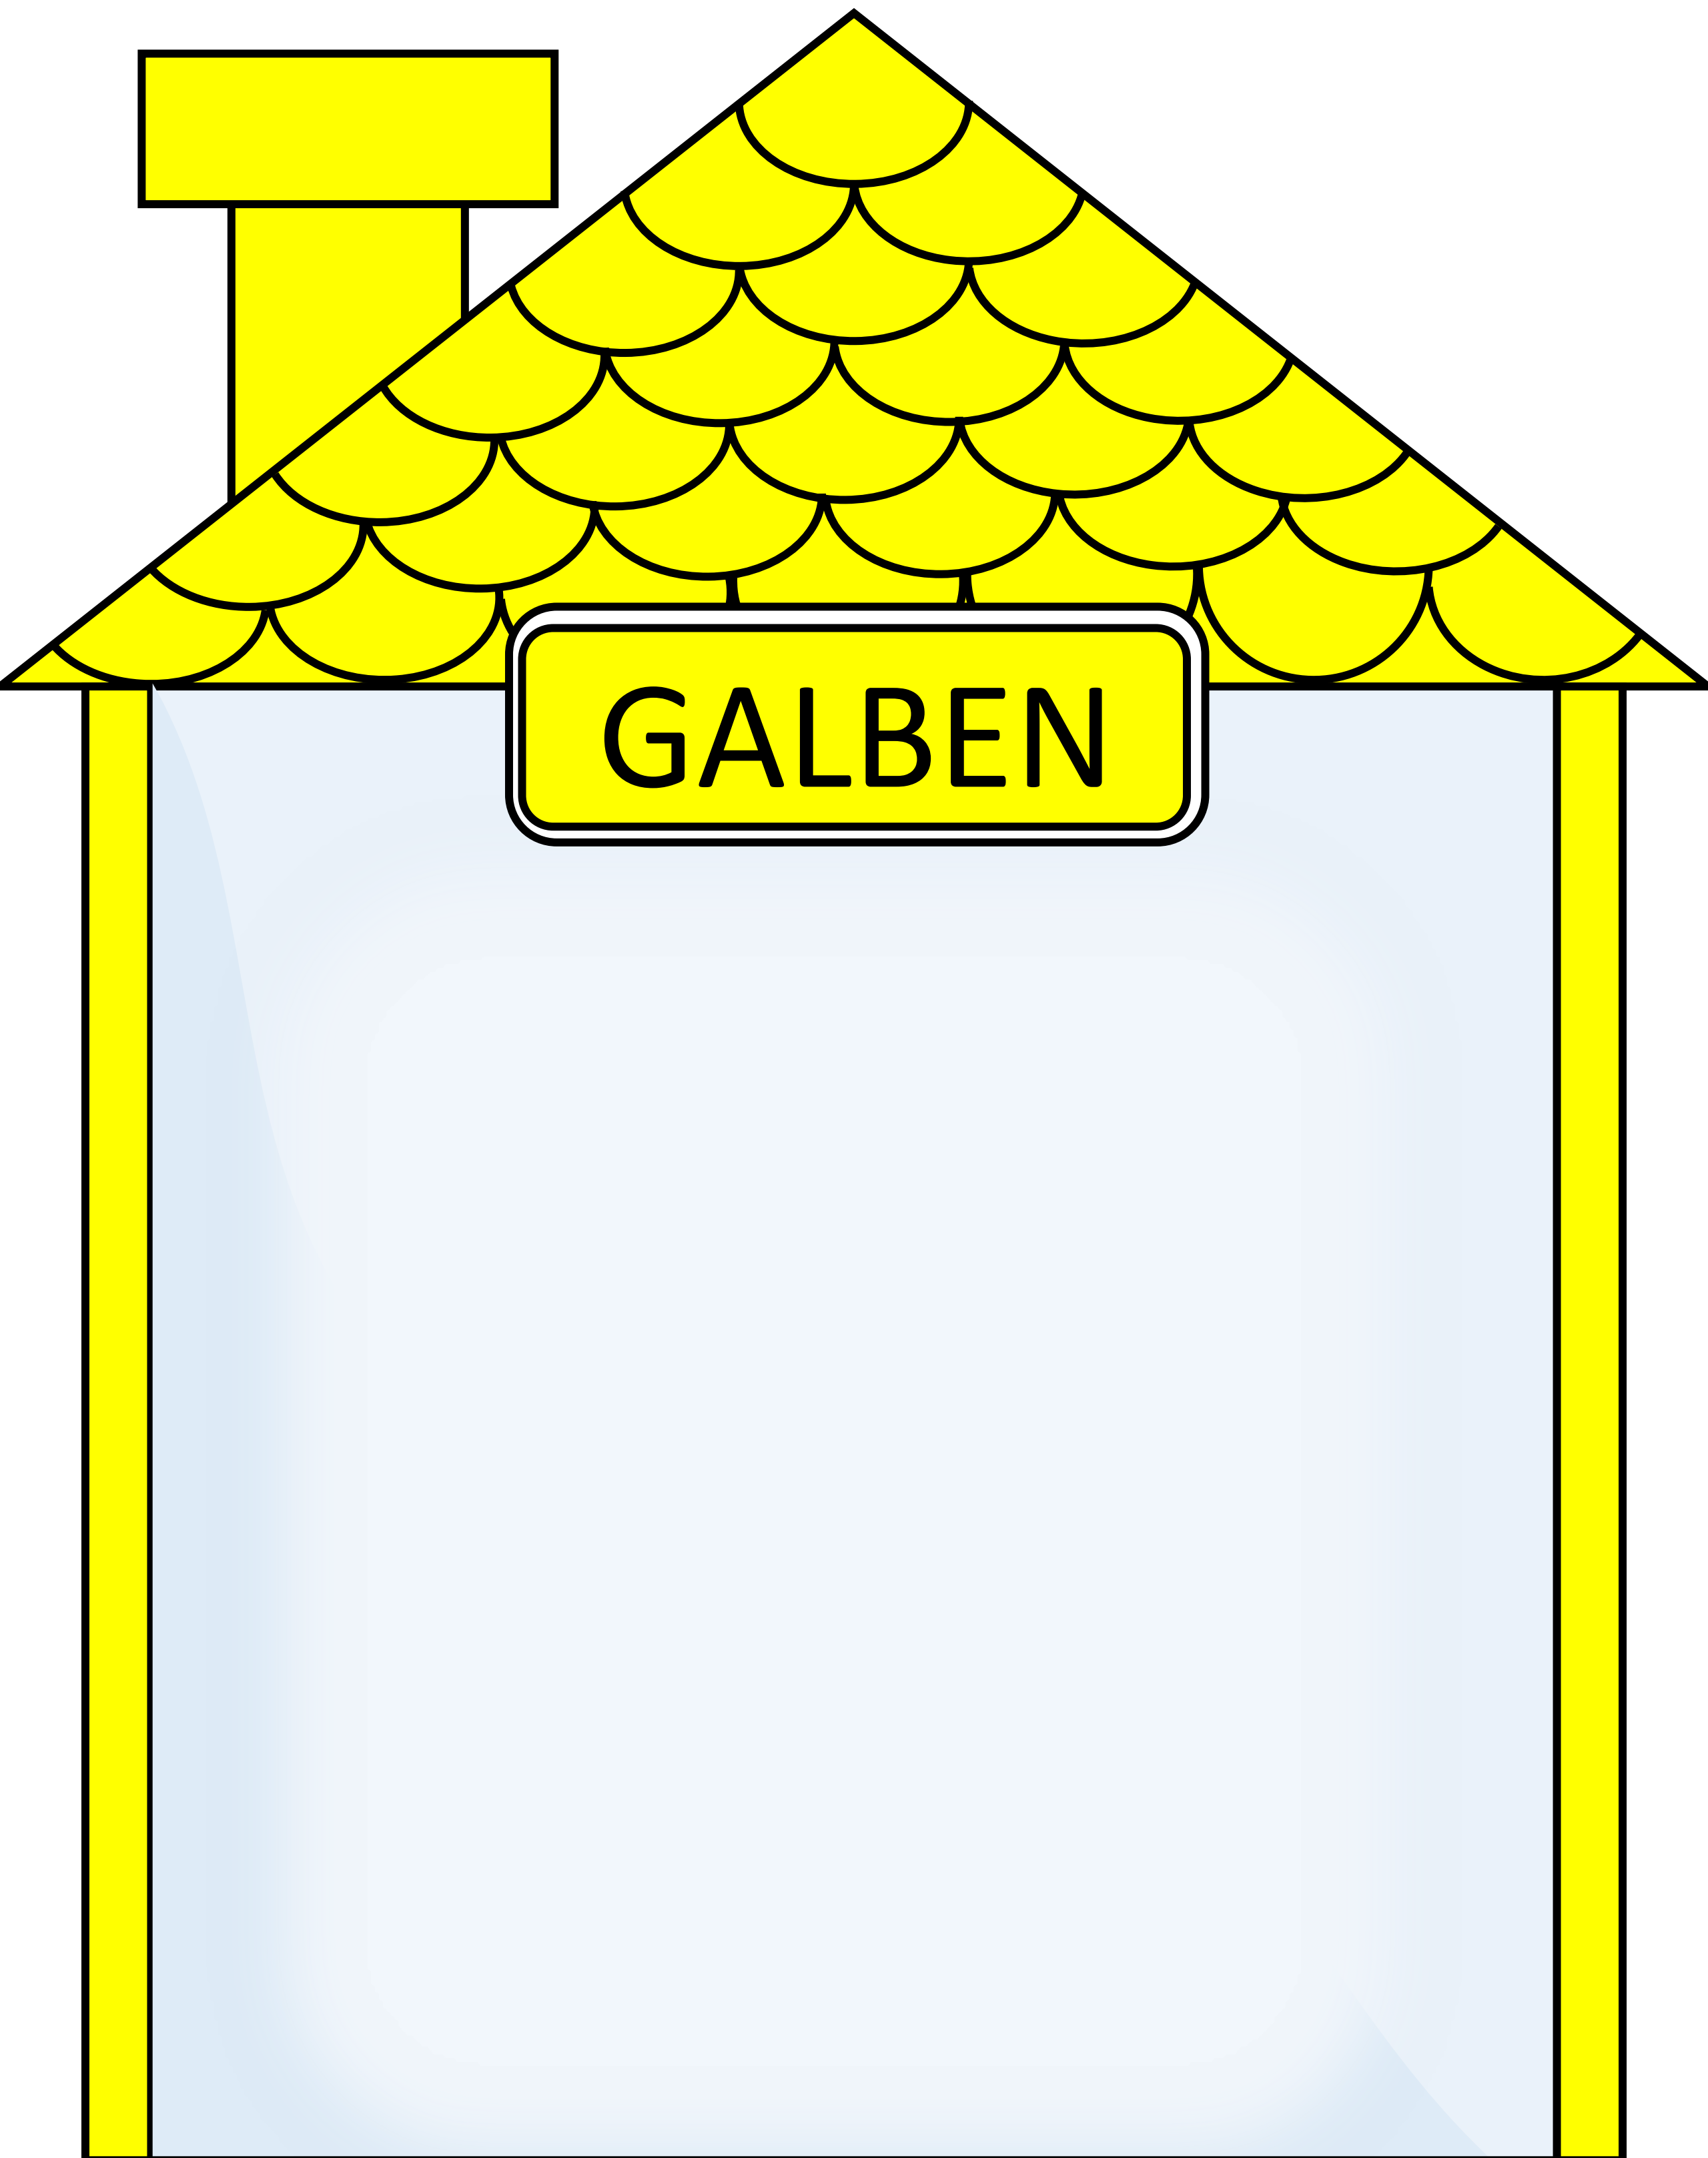

Indiferent de modul în care doriți să utilizați acest material este nevoie de "asamblarea" acestuia sub forma unei cărți/pagini care vor alcătui decorul clasei. În acest sens, vă recomandăm să parcurgeți următorii pași:

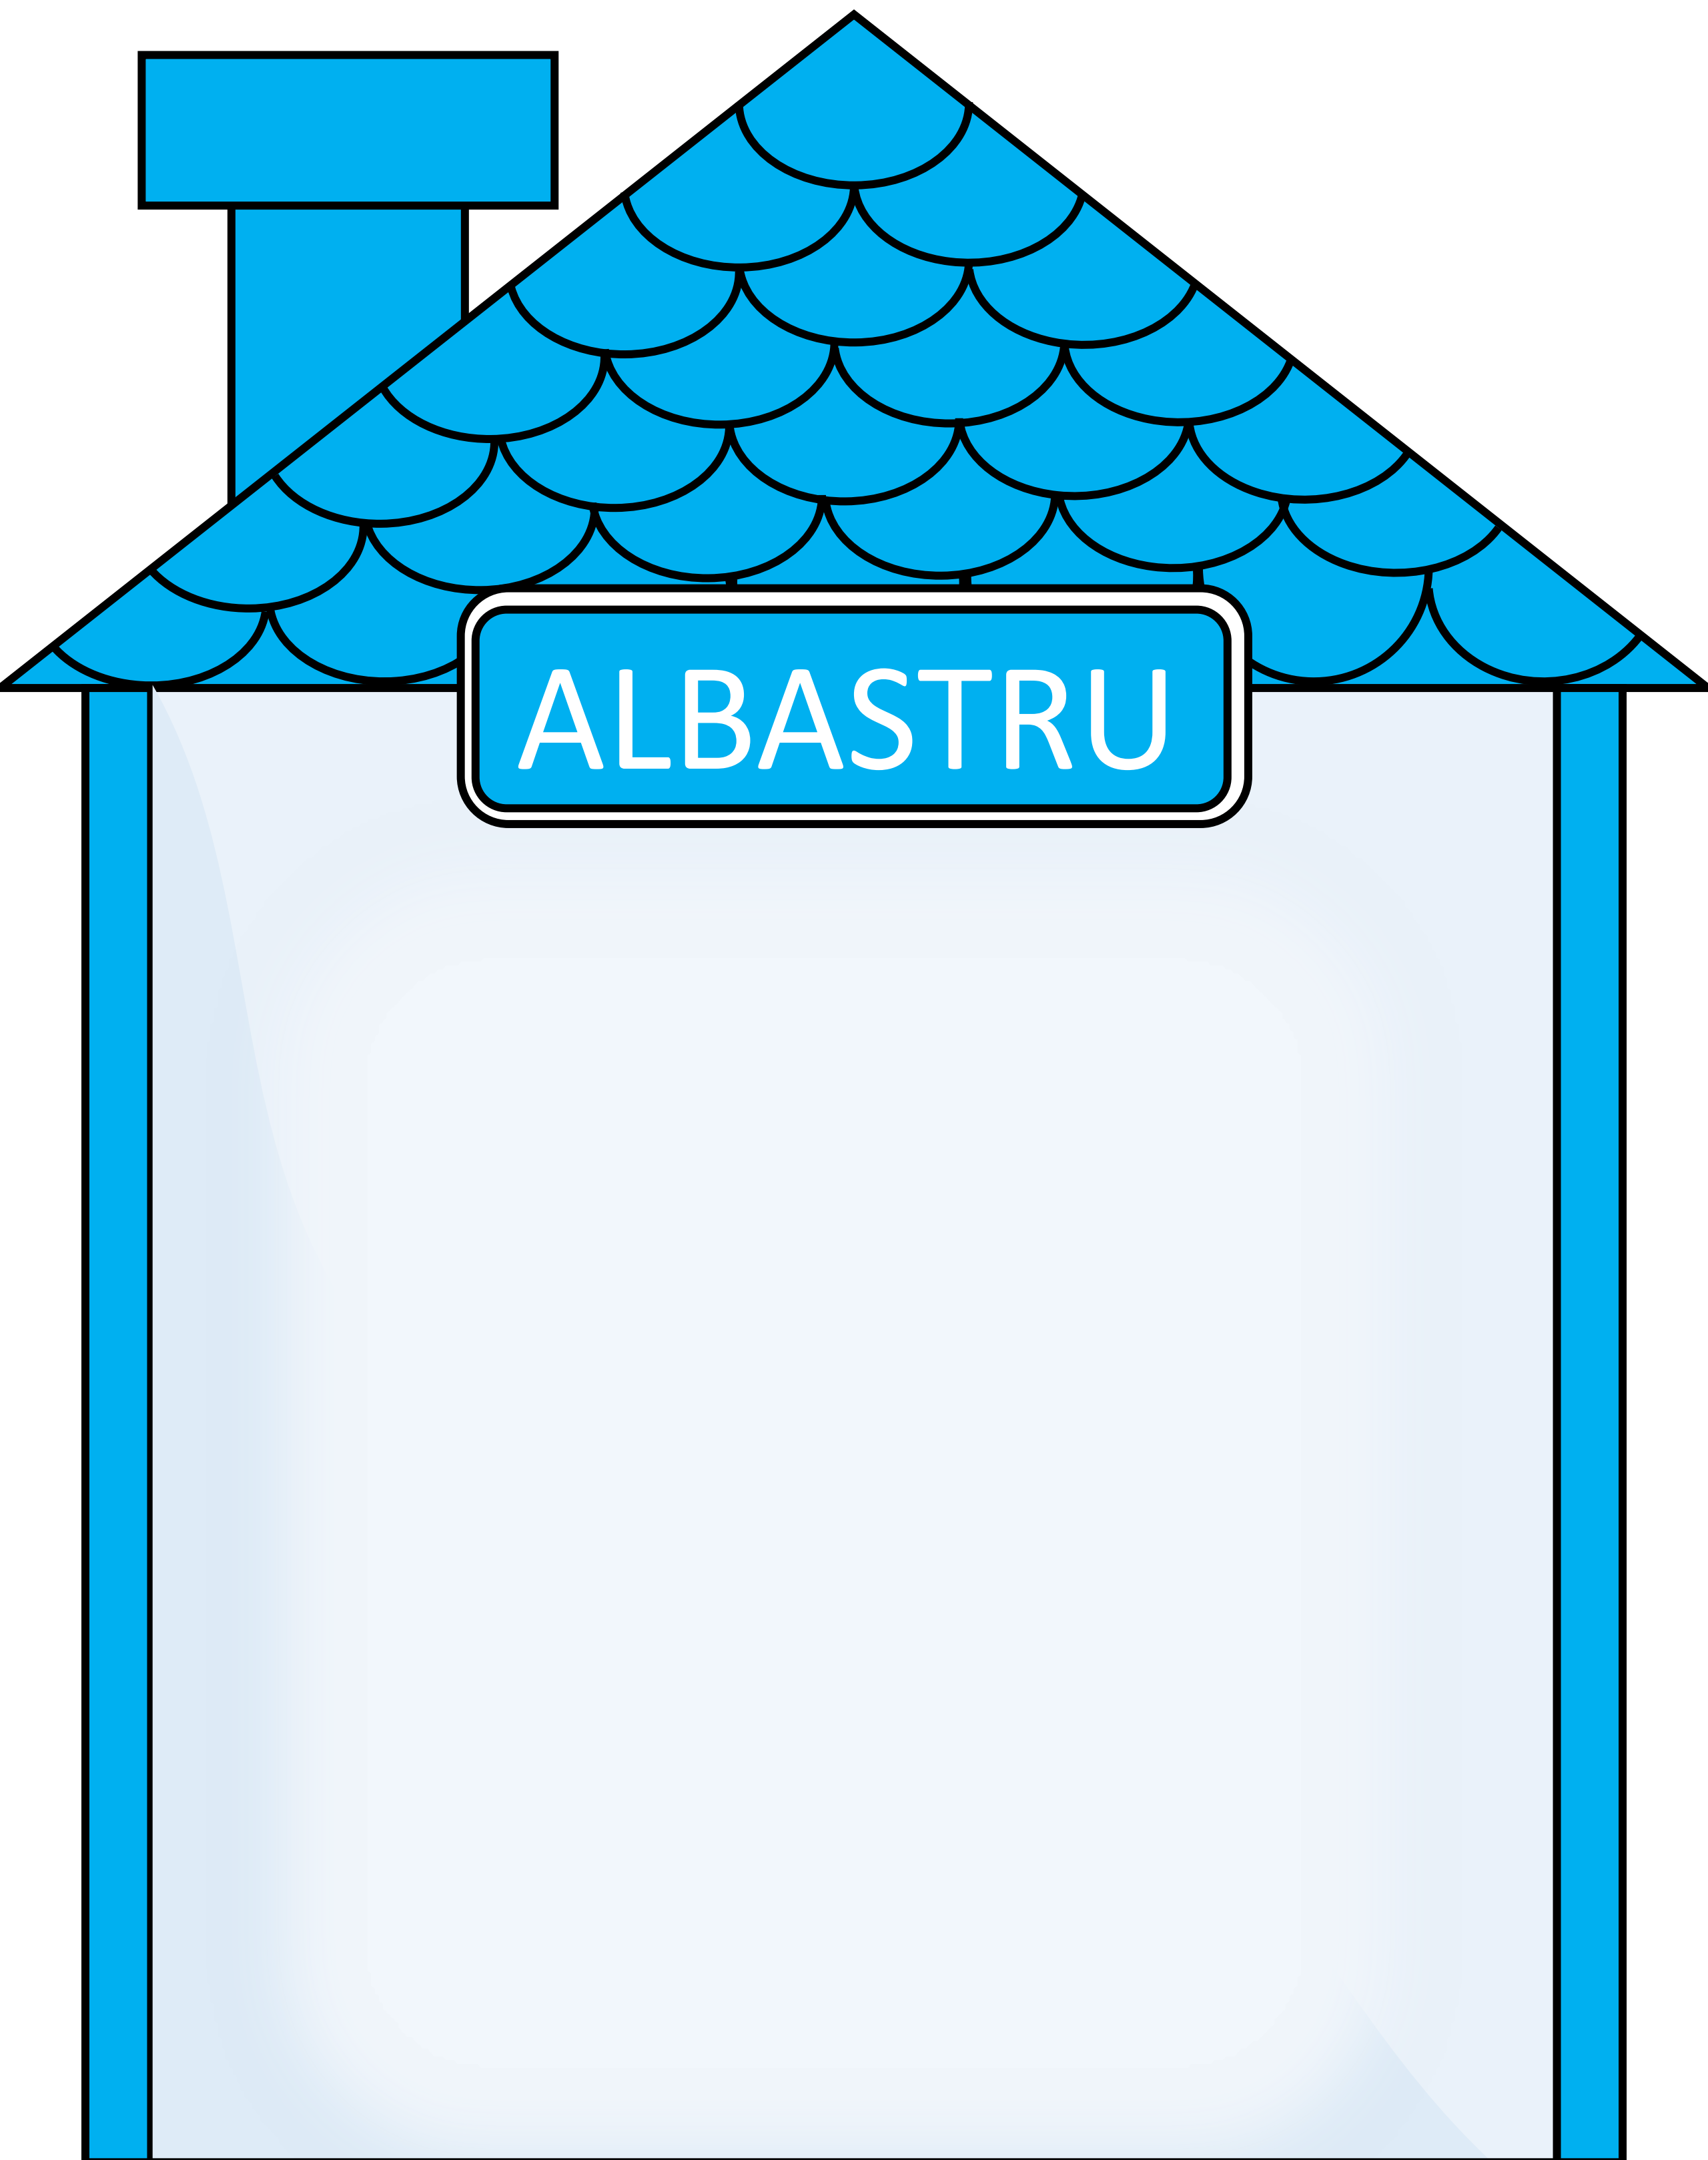

1. Plastificați coperta, paginile pe care este scrisă denumirea culorilor și cele care conțin reprezentări ale unor plante/ființe specifice pentru cele 11 culori (roșu, galben, albastru, verde, portocaliu, mov, roz, maro, gri, alb și negru);
2. Perforați marginile paginilor pe care este scrisă denumirea culorilor folosind un perforator (doar pentru cazul în care doriți să utilizați materialul sub formă de carte);
3. Lipiți în căsuțe bandă velcro/buline velcro (partea aspră) astfel încât să aveți posibilitatea să poziționați în interiorul acestora câte 4 elemente;
4. Decupați imaginile care reprezintă plante/ființe și lipiți pe spate bandă velcro/buline velcro (partea moale/fină);
5. Asamblați cărticica folosindu-vă de un șiret, sfoară, fir textil, fir de rafie sau inele speciale;
6. Depozitați toate cardurile cu imagini într-un plic pe care îl puteți lipi cu bandă dublu adezivă pe coperta finală (slide nr. 14)
